

Week 5 already!

16/08/2019 by Karen Poole

Kiā ora koutou

In the past we have listed events coming up at the bottom of our regular updates. Kelly has been working on filling in the calendar which can be accessed by going to the top of your Educa page and clicking on Community, the drop down will provide you with the calendar. We will be updating this on a regular basis to keep you in the loop about upcoming events, etc.

Road Safety

Over the last few weeks I have had several parents and people living in the neighbourhood share their concerns about what they have been seeing on the roads outside of the school.

- Some parents have not been using the crossing - this does not set a good example to our students.
- Children have been running directly across the road down by the dairy which has resulted in some very close calls. Please talk to your children - crossing at the pedestrian crossing is encouraged at all times.
- Parking continues to be an issue. Please remember that parking on yellow or blue lines obstructs the view of our patrollers who are trying to do an important job to keep our children safe.
- Some parents have also been doing u-turns in Glen Road when there is a lot of traffic around, ie. at the end of the school day.

“Parents are the ultimate
role models for
children. Every
word, movement
and action has
an effect. No other
person or outside
force has a greater
influence on a child
than the parent.”

Bob Keeshan
