

Kia ora e te whānau

This term is certainly zooming by!

Congratulations to all our children who participated in the interzone cross country. We are so incredibly proud of you for representing our school and doing your best.

It seems very early to be thinking about 2025, but if your child is Year 6, please ensure you have enrolled in the school of your choice. There are several intermediates that are zoned and it's really important you meet the deadlines for enrolments. If you would like to chat further about this please don't hesitate to pop in and chat to myself or Shelley, our Learning Support Coordinator.

If your child is going to be away from school because they are unwell, or for another reason, please use the absent form online [Absent form](#)

Alternatively you can ring the school office 04 5636 329.

The important details to share if you are leaving a phone message is:

- Your child's name (first and last)
- Room number
- The reason they are away
