## Last term

Last term's fundraisers were a remarkable success, highlighting Tawhai's unity in supporting our tamariki. Thank you for everyone's hard work, enthusiasm, and donations.

With the school's collective effort, we purchased 672 pies and raised just over \$1,600! This was a magnificent achievement!

We received excellent feedback from a number of students regarding the sausage sizzle, indicating that it was a nice, yummy change. So, we've decided to hold this every other term. For this, we raised \$740!

## Entertainment

This website offers deals up to 50% off dining, shopping, and activities. Membership purchases give back to your choice of a fundraising cause, such as the P.T.S.G.

Currently, they have deals for Little India, St. Pierre's, Escape Mate, WellyPutt and the Light House Cinema.
