

LEARNING SUPPORT AT TAWHAI

Kia ora e te whānau,

My name is Fiona Glen and I am excited to be the new Learning Support Coordinator based at Tawhai School. I am currently transitioning from my current position at Pomare School and will be starting full-time at Tawhai Week 7, 25th November 2024.

I have over 20 years experience teaching in the Taita/Stokes Valley area. As well as being an experienced classroom teacher, I also bring with me skills I have gathered being an ORS special teacher for students with neurodiversity, SENCO (Special Education Needs Coordinator), Mentor Teacher and Reading Recovery & Early Literacy Support teacher. I am passionate about tamariki having the opportunity to get what they need in order to be successful.

I am a proud Mum to two teenage girls, who will both be at Upper Hutt College next year. My girls keep me busy as I uber them to their dance and gymnastics after school. I've just restarted an old hobby of mine, lead lighting which I really enjoy and love to get away on family holidays in our wee pop-top caravan.

As I transition into my new LSC role, I am meeting with the amazing teaching team at Tawhai, making connections and getting to know your tamariki. I'm really looking forward to getting to know whānau - if you see me around, please feel free to introduce yourself or flick me an email if you would like to book in a time to meet with me.
